

touchREVIEWS in Neurology

Established: September 2005 Frequency: Bi-annual

Aims and Scope

- *touchREVIEWS in Neurology* enables time-pressured physicians to stay abreast of key advances and opinion in neurologic practice.
- *touchREVIEWS in Neurology* comprises balanced and comprehensive articles addressing the most important and salient developments in the neurology field.
- *touchREVIEWS in Neurology* endeavors to support physicians, clinicians, and related healthcare professionals in continuously developing their knowledge, effectiveness, and productivity. The editorial policy has been designed to encourage discussion among this peer group.
- All articles are subject to peer review, and must adhere to the ICMJE (www.icmje.com), GPP-3 (www.ismpp.com/gpp3) and COPE (http://publicationethics.org/files/Code_of_conduct_for_journal_editors.pdf) guidelines.

Structure and Format

- *touchREVIEWS in Neurology* is a peer-reviewed, free-to-access, bi-annual journal comprising review articles, case reports, editorials, special reports, and original research.
- The structure of each edition of the publication comprises section categories determined by the Managing Editor. The degree of coverage assigned to each category is the decision of the Managing Editor and, in part, reflects the views of the Editorial Board.
- All articles disclose any author disclosures along with any funding, financial support, and medical writing assistance.
- Each edition of *touchREVIEWS in Neurology* is published in full online at www.touchNEUROLOGY.com

Editorial Expertise

touchREVIEWS in Neurology is supported by various levels of expertise:

- Guidance from an Editorial Board consisting of leading authorities from a variety of neurologic disciplines.
- Invited contributors who are recognized authorities from their respective fields.
- Peer review – conducted by experts appointed for their experience and knowledge of a specific topic.
- An experienced team of Editors and Technical Editors.

Peer Review

- On submission, all articles are assessed by the Managing Editor to determine their suitability for inclusion and appropriateness for peer review.
- The Editor identifies at least two appropriate reviewers, who are selected on the basis of their specialist knowledge in the relevant area, following consultation with a member of the Editorial Board where necessary.
- We aim to have the final peer review decision within 4 weeks.
- Following review, papers are either accepted without modification, returned to the author(s) to incorporate required changes or not accepted for publication.
- The Editor reserves the right to accept or reject any proposed amendments on the advice of the Editorial Board and reviewers.

Submissions and Instructions for Authors

- The Editor commissions articles with guidance from the Editorial Board and unsolicited articles are welcomed.
- The Editor is always keen to hear from authors wishing to discuss potential submissions, and will give due consideration to any proposals.
- Please contact the Editor for further details.
- The 'Instructions for Authors' information is available for download at www.touchNEUROLOGY.com.

Reprints and Advertising

Reprints are available for all articles (minimum order 500 copies). Please contact hello@touchmedicalmedia.com for more information.
